VOL. 36

Growing in Excellence, Service and Integrity Together.

See the Growth!

Today, students will bring home their end-of-year I-Ready Diagnostic reports. These reports provide families with a snapshot of your child's academic growth and progress throughout the school year by comparing scores from August, January, and May.

We encourage you to review the report together and celebrate the growth your child has made.

**No School on
Monday, May 25,

in observance of
Memorial Day!**

Summer School Registration

If your child received a Summer School Registration Form, please submit the completed form along with the registration fee by Friday, May 29, 2026. Thank you for your prompt attention and support.

Confirmation

We invite all families to join us as we celebrate our 8th grade students receiving the Sacrament of Confirmation on Saturday at 6:30 p.m. in the church. This is a very special milestone in their faith journey, and we look forward to coming together as a school community in prayer and celebration.

Let's Stay Together!

Please stop by the office and register your child as soon as possible for the upcoming school year. If your child will not be returning, please let us know so that we may open the spot to another student.

Thank you for your cooperation.

Our mission is to provide a quality education rooted in the sacraments and the Gospel values. We aim to profess our Catholic faith through academic excellence, community service, and integrity so that our students become empowered to reach their ultimate potential.
