Drop Off Procedures

For everyone's safety, please do not drop students off before 7:15 a.m.

Supervision is not provided before this time, so a parent or guardian must stay with students until then. Thank you for your cooperation!

Welcome to the Second Quarter

A new quarter means a fresh start and new opportunities to shine! Let's encourage our students to set goals, stay focused, and give their best effort each day. With determination and a positive attitude, the second quarter can be their strongest yet!
