## Celebrating 75 Years Together

A heartfelt thank you to all our parents, students, and families who joined us in celebrating the 75th anniversary of our parish. Your presence, joy, and support made this milestone truly special. We are grateful for our parish community and the shared memories we continue to create together.

## Helping Hands at Work

Our students and teachers came together to pack donations for those affected by the recent hurricane.

Thank you for your generosity and support as we serve our neighbors in need.

Our mission is to provide a quality education rooted in the sacraments and the Gospel values. We aim to profess our Catholic faith through academic excellence, community service, and integrity so that our students become empowered to reach their ultimate potential.
