Finish Strong: The 4th Quarter

Be on the lookout: Report Cards will be sent home on Monday!

We encourage all families to take a moment to check in on students' progress and celebrate their hard work. As we journey through the final quarter of the school year, consistent attendance and punctuality are more important than ever.

Each school day provides valuable learning opportunities that help students finish the year successfully. If your child is absent due to illness, please remember to submit proper documentation so the absence can be recorded as excused.

Let's continue working together to finish the school year strong!

Student Spotlight

Lynn P. (KA) shared the joy of a good book by reading aloud to her peers!

Some of our 8th graders were all smiles as they enjoyed the Greater Love conference.

Our mission is to provide a quality education rooted in the sacraments and the Gospel values. We aim to profess our Catholic faith through academic excellence, community service, and integrity so that our students become empowered to reach their ultimate potential.

Lenten Reflection

During the season of Lent, we are called to pray, fast, and give.

This week, take a moment to reflect:

- Have you made time to pray each day?
- Are you staying committed to your fast?
- Have you given to others with a generous heart?

These small, intentional choices help us grow closer to God and live out our faith!
