VOL. 3

Growing in Excellence, Service and Integrity Together.

## WEEK 3 OF LEARNING!

Learning is in full swing! Parents, please continue partnering with us by checking in with your child each evening and ensuring homework and assignments are completed.

If you have questions about an assignment or your child's progress, please reach out directly to their teacher. Together, we can keep our Hornets on track for a successful year!

## IMPORTANT DISMISSAL REMINDER

All students not enrolled in the Afterschool STARS Program must be picked up by 3:15 p.m. Beginning Monday, August 31, families of **students who remain on campus after 3:15 p.m. will be charged a \$25 late pick-up fee.**

Please plan accordingly to ensure students are picked up on time. Thank you for helping us maintain a safe and smooth dismissal process!

## I-READY TESTING

Our students have officially completed their beginning-of-year i-Ready Inform assessments! Results will be coming home soon so families can see where their child is currently performing, celebrate areas of strength, and understand where additional growth is needed.

These results will also help our teachers plan targeted instruction and support as we work together to help every student make meaningful progress this school year.

## BACK TO SCHOOL PEP RALLY

Get ready to show your Hornet pride!  
Our 8th-grade school leaders will host  
a Back-to-School Pep Rally on  
Thursday, September 3, 2026!

**All students are asked to wear their PE uniform** and come ready for an afternoon of school spirit, fun, and celebration. Let's kick off the school year with energy and Hornet pride!

## FAMILY CHALLENGE

This week, choose one act of service to complete together as a family. You might help a neighbor, call or visit a relative, donate items you no longer need, make a card for someone who could use encouragement, or help clean up your neighborhood.

Afterward, take a moment to discuss:  
"How did our family help make our community stronger?"
