Growing in Excellence, Service and Integrity Together.

Haitian Flag Day Celebration

On Monday, May 18, our school community will celebrate Haitian Flag Day with a special in-school assembly centered on this year's theme, "Haiti Through Our Eyes." Students are invited to dress down in red and blue or wear traditional Haitian attire as we honor the rich culture, history, resilience, and pride of Haiti.

Please note that this event is a closed school program and will not be open to the public. However, we look forward to sharing highlights from the celebration, and links to student performances will be included in next week's bulletin for families to enjoy from home.

Summer School Information

We will offer Summer School on campus from June 8 through June 25 for students who require additional academic support. Attendance is mandatory for identified low-performing students in order to strengthen foundational skills and support academic growth before the start of the new school year.

Registration forms and additional details will be sent home with students on Monday, May 18. Parents are asked to review and return all required paperwork promptly.

Secure Your Spot

Registration for the upcoming school year is now open, and we encourage all families to complete the process as soon as possible to secure your child's seat. Early registration helps us plan effectively to best serve our students.

Should you need any assistance, our office is here to help.

Our mission is to provide a quality education rooted in the sacraments and the Gospel values. We aim to profess our Catholic faith through academic excellence, community service, and integrity so that our students become empowered to reach their ultimate potential.

Congratulations, First Communicants!

We joyfully congratulate our students who received the Sacrament of First Holy Communion this past weekend.

May God continue to bless our First Communicants and their families as they grow in faith, love, and devotion to Christ.

Looking Ahead
