VOL. 16

Growing in Faith, Excellence, and Service Together.

December at a Glance

Our students have been working hard and finished their Midterm Testing today! Classes are also buzzing with excitement as students continue practicing for our upcoming Christmas Show while wrapping up important learning for the second quarter, which ends on December 19. As we head into the final stretch, let's keep our students motivated by encouraging them to arrive to school on time each day and finish the quarter strong. Thank you for your continued support!

Focus on Peace

During Advent, we reflect on peace—bringing calm, kindness, and hope to our hearts and those around us.

Try this at home: Ask your child, *"What is one peaceful action you can do for someone this week?"*

The 7th grade class modeled our value of service by collecting canned goods to donate to a local charity as their Advent service project this season.

Our mission is to provide a quality education rooted in the sacraments and the Gospel values. We aim to profess our Catholic faith through academic excellence, community service, and integrity so that our students become empowered to reach their ultimate potential.

One Light, One Hope

We are excited to announce that this year's Christmas Show will celebrate "Christmas Around the World – One Light, One Hope." To ensure a smooth and timely start, all students must return to campus dressed in the attire assigned by their homeroom teacher by 5:30 p.m. Let us make this a memorable and joyful evening for our school community!
